June 12, 2019 - Hello, I had powermill running on my PC with a key.. The file you need is most likely located in C: / dcam / config / pass / \*.paf. All the best. - Hello, I know what you are doing project to explore the possibilities of the new Powermill 10.4. May I ask you for help? Hello, thanks for reaching out. I can help you if I can. â€” I would like you to look at the pass/\*.paf files that I have in the C:/dcam/config/ folder and see if they are damaged. If so, you need to check if the entire folder is still corrupted. - Okay, I'll deal with it soon. When would you like a fresh copy? fffad4f19a
